## ATTACHMENT A: SCOPE OF WORK

The Glenrock Area Chamber of Commerce has continued to move forward with our goals of promoting our community and county.

- **GACC Partners:** The GACC primary objective is to promote our 101+ partners by showcasing their business and/or organization. We pass on information provided by them to others through emails and Facebook. Help to find and process grants that will help them in many ways.
- **GACC Partners, Community & County:** The GACC is the go-to place for other organizations, businesses, and the public seeking community/county information. Passing on information about our community/county through relocation packets to prospective residents, events sponsored by the chamber, and hunting packets to visitors from other communities. We also provide valuable data for agencies that provide services to others.
- **Glenrock Economic Development Corporation & Glenrock Main Street:** The team work between our three organizations continues to become stronger. This past year we have united under one roof in the Glenrock Business Development Center. This move has provided the three entities the opportunity to continue to work jointly on a number of projects and still remain three individual businesses.
- **Converse County Tourism Promotion Board:** The GACC provides information that is valuable for the CCTPB to continue to promote our community across the nation.
- **Events/Activities:** Along with our enriched community history, hunting, fishing, and photography the GACC host a number of events/activities throughout the year. This provides our visitors/guest with additional things to see and do while on their visit.
