

Public Notice
Citizens Needed

Converse County has numerous boards where citizens can serve to make a difference in our County. There are currently openings on the Planning and Zoning Commission. In addition, the County will have openings on other boards as terms expire and where the County appoints the entire board. You may also wish to apply for these boards: Airport, Hospital, Library, Natural Resource Planning, Parks & Rec, and Tourism.

Typically board members focus on a direction the board will take that affects the future of the County, as well as a commitment to the residents to meet a variety of purposes, including recreation.

The Commissioners are asking all potential board applicants to complete a short application that you can find on the County's website at conversecounty.org, Government & Administration, Board Info, then click on Board & Commission Application or contact Lucile Taylor, Converse County Clerk, at 358-2244. Applications are accepted anytime; however, there are several terms expiring in March and June 2010.
