

NOTICE

SEPTIC SYSTEM REQUIREMENTS

**As required by the
Wyoming Department of Environmental Quality**

If you reside in Converse County, you must construct your own wastewater system. The steps you or your contractor need to follow are outlined in the septic permit application package. Obtain a septic permit application package prior to construction from:

**Converse County
Special Projects Department
107 N. 5th St., Suite B-6
Douglas, WY 82633
(307) 358-1990**

This completed package must be submitted and approved by the Special Projects Department and the \$125 fee paid before construction may start.
