

**CONVERSE COUNTY, WYOMING
PERMIT APPLICATION**

CONVERSE COUNTY, acting by and through its Board of Commissioners, hereinafter referred to as the "Board", hereby evidences its permission that _____ (applicant) of _____ (company), State of _____, may conduct the following activities within the right-of-way easement granted heretofore to Converse County for a county highway, to wit:

_____; that the location of such activity shall be limited to that portion of Converse County Road Number _____, commonly referred to as the _____ Road, and located in: _____ (township, range and section).

The Permittee hereby acknowledges and agrees as follows:

1. That the permit hereby allowed is conditional to the extent that the right-of-way granted to Converse County may have been given for the limited and expressed purposes of laying out, constructing and maintaining a county highway and that the Permittee's user may be in conflict therewith and, therefore, subject to objection by the grant of the right-of-way or his heirs, executors, administrators, successors or assigns, in which event it may be necessary and required that the Permittee remove his activity and facilities from the right-of-way, in the alternative, to make appropriate agreements with the grantor of the right-of-way, or his heirs, executors, administrators, successors or assigns for the additional use.
2. That the Permittee shall forever indemnify the County of Converse, its Board and its officers, agents and employees and otherwise save them harmless from all liability or expense for damage to the property of others or for injury to or death of any person arising wholly or in part or in connection with the construction, maintenance or use of such facility by the Permittee.
3. That the permit herein given is exclusive and shall not be assigned, modified, or in anywise transferred without the prior written consent of the Board.
4. That the facility of the Permittee shall be placed in such a manner as will conform with recognized standards and applicable federal, state or local laws and ordinances and as otherwise directed by the Board.
5. That utility lines and cables be buried at a minimum depth of thirty-six (36) inches. All other utilities at the depth required by federal, state and/or local laws.
6. The facilities of the Permittee shall in no way interfere with, or encroach upon, the use of the county road by the public; provided however, that in instances whereby it becomes necessary for the Permittee to traverse the roadway, notice of such intent shall be given to the **Road & Bridge Department, not less than five (5) days prior to commencing work.** Such activity shall be subject to the supervision and inspection of the Board or its representatives, and Permittee shall place permanent type markers on each side of the road, at places designated by the Board, locating the location and direction of said traversing facility.

7. During all times of construction, maintenance and/or repair, the Permittee shall be responsible for the placement of proper advisory signs on either side of the work area, as the Board or its representative may direct, for the purpose of cautioning travelers upon county roads of construction activities and that danger exists; and, otherwise to take all reasonable measures to prevent injury to persons and/or property.
8. The Permittee agrees to repair, to the satisfaction of the Board, any portion of the county road to a condition of equal to or better than its condition prior to the commencement of the Permittee's operations.
9. **Except when traversing the county road, the facilities of the Permittee shall not be installed under any circumstances without prior written permission of the Superintendent of the Road & Bridge Department within ten (10) feet of the traveled portion of the county road.**
10. Any alteration or modification of the facility, located within the right-of-way, requested or directed by the Board shall be commenced and completed without delay by the Permittee as its sole expense.
11. That the Permittee shall pay the sum of \$_____ for the permit herein granted to Converse County.
12. That by its signature and seal affixed hereto does hereby accept and confirm all of the conditions and terms hereby imposed upon the Permittee and agrees as to its binding effect.
