RE: POSITIVE CASE(S) NOTIFICATION -NON RESIDENT.

DATE: Thursday, August 27th, 2020

On Thursday, August 27th, 2020, the Converse County Public Health Department, in conjunction with Converse County Emergency Management, received notification of 2 (two) individuals that tested positive for COVID-19 at Memorial Hospital of Converse County. These cases ARE NOT included in the Converse County case count as they do not reside within Converse County but work within the county or tested here. The individuals are both female, one in her 20's and the other in her 40's. This information is being released to let the community know about confirmed cases that do not increase Converse County's case count.

To date, Converse County has had 30 positive cases. Currently, there are 5 (five) active cases in the county with 7(seven) additional people quarantined.

Representatives from the city, towns, and county are working in unison to ensure the health and safety of our residents. Statewide, the Covid-19 count is at: 3166. Recovered is at: 2586. For more information about STATEWIDE cases, please follow this link:
