Update to Covid Vaccine List and TIER 1b recipient drive thru events:

Converse County Public Health will no longer be utilizing a contact list for the Covid-19 vaccinations and are moving to a First Come First Serve system. The remaining people on our previous list, will be contacted and scheduled in our clinic.

Converse County Public Health continues to receive limited amounts of vaccine and will be hosting a series drive thru events in Douglas and Glenrock that will be advertised in the newspaper, on the radio, and on Facebook. Those events will be specific to a tier level, and will be first come first serve. The current Tier level that is being vaccinated for Converse County is: 1b.

This Tier includes critical populations of:

1. Persons 70 years of age or older, and
2. Frontline essential workers who must interact with the public and are unable to consistently physically distance from others.

Please find the expanded definitions of the tiers at this address: [https://health.wyo.gov/wp-content/uploads/2020/12/WDH\\_Phase-1a-and-1b-COVID-19-Vaccination-Priorities\\_12.30.20.pdf](https://health.wyo.gov/wp-content/uploads/2020/12/WDH_Phase-1a-and-1b-COVID-19-Vaccination-Priorities_12.30.20.pdf).
